

WHAP 9 REVIEW PROJECT

Directions: Research and analyze the following historical comparisons. Use **SPRITE** as a guideline for what to compare and contrast. Remember that you do not have to fill in every topic on the sheet, try and get used to looking for these topics when you are comparing societies-in this way you will increase your speed in breaking down the comparative elements of your exam.

- A) Brainstorm each point of comparison below and develop at least 3 significant points of comparison.
- B) Complete a 1 Page Analysis for each comparison (use the template on the back as a guide)

Comparisons 8000 B.C.E to 600 B.C.E

1. Compare any 2 river civilizations in this time period.
2. Compare the impact of geography on India and China.
