Directions: Answer the following questions relating to the D-Day Invasion as well as the surrender of the Germans.

1. "Soldiers, sailors, and airmen of the Allied Expeditionary Forces:

You are about to embark on a Great Crusade toward which we have striven these many months. The eyes of the world are upon you. The hope and prayers of liberty-loving people everywhere are with you ... I have full confidence in your courage, devotion to duty and skill in battle. We will accept nothing less than full victory!"

-General Eisenhower

How would you describe the tone of Eisenhower's speech? Compare and contrast his tone and message to those of the Germans and Russians (hint: Battle of Stalingrad).
