

Hello Classes,

Below are the lessons for Week 2 of Remote Learning. This week we will be completing lessons on the Holocaust which occurred during the course of the war and the subsequent Nuremberg Trials that followed. All work should be completed by Friday April 10th. Work does not need to be printed out or handed in to me, the assessment activity will be the castle learning assignment. Email me with any questions. Stay safe!

Holocaust Presentation and Packet: Review the Holocaust Presentation and the corresponding packet.

Holocaust Document Analysis: Complete the questions for each document. An answer key will be posted at the end of the week for you to check your work.

Watch YouTube Video – [What Happened at the Nuremberg Trials?](#) Complete corresponding questions.

Complete Holocaust 10.5 Activity

Castle Learning – Unit 5 Exam: For this exam you can re-do any questions you get wrong initially as many times as you would like. I will take only your final grade.
